exercises (homework)**

8 November 2021  
**Solution of the paper  
(homework); Q&A**

11 November 2021  
**Using the  
Examiners' report**

All sessions will take place  
from 4-6pm CE(S)T.

The seminar program is intended for **epi** Students preparing for the EQE paper B and, in particular, for those having completed the EQE pre-exam.

The workshop addresses paper B of the EQE, in particular how to process the information given in the paper to provide a suitable response.

The workshop will provide a **guided journey** through reading the exam paper, identifying the issues to be addressed and solving paper B of the EQE.

The workshop will consider the documents provided in light of expected deliverables, guide you to managing the exam information and practical approaches, as well as the challenges of the paper and the marking scheme.

The workshop will be focused on providing a step-by-step interactive tutoring for tackling and solving a **real past paper B** of the EQE.

### Key topics

- Inventive step argumentation
- Problem Solution Approach
- Amending the claims
- Showing compliance with Art. 123(2)
- Specifics to the new format (since 2017) of the Paper B of EQE
- Time management
- Practical approaches and suggestions

In between sessions, participants are expected to work on **exercises** ("homework") or to draft (parts of ) a previous or mock paper B. The exercises and their solutions will be discussed in the group.
